Gradual Accumulation of Securities Takes Place, and They Are

Carried at 8 Per Cent. REOPENING NOT YET PLANNED

Weak Spots in Market Should Be Cut Out Before Resumption of NORFOLK AND WESTERN Public Trading Is Permitted. Money Is Easier on the Street.

New York, October 8.—Events tread one heels of hesitation. "Why," aske "are Wall Street stock brokers not

ess can be transacted on a normal basis. IARKET'S WEAK SPOTS
8HOULD BE CUT OFF
Many wounds require surgical operations, and the committees will fall short of heir duties if they fail to cut out the ceak spots before a public market is re-

week spots before a public market is resumed.

Short-term notes were firm, but quiet to Short-term notes were firm, but quiet to any indicating a slight failing off in demand. Prices, however, continued staong at the ligh level established earlier in the week. Bonds, too, were quiet, and a market for unlisted securities was affected by the same influences that restricted bond trading. The was intimated earlier in the week that he London Stock Exchange committee fixed the equivalent for American securities fixed the equivalent for American shares occalled the London market.

Cable transfers fold at \$4.98, and demand seriling advanced to \$4.97. These figures represent an unfavorable view of news from the Foot. Late in July exchange brokers sought protection by selling ulnety-day bills. These are now failing due, and an effort to cover has lent added strength to the market for demand and cable sterling. Limit for columbus, accompanied by vice-President Maher and General Manager Needles.

### **GENERAL NOTICE**

Notice is hereby given that the Virginia Railway and Power Company has this day filed with the State Corporation Commission, pursuant to law, its petition with schedules of rates and discounts for general retail light and power service covering the territory of Richmond and Petersburg. Va. and vicinity, to become effective April 1st, 1915, supersching schedules in this territory for the service named now on file with the commission.

The following table shows approximately the effect of the proposed schedule of rates and discounts upon the customers now served, with the exception of large consumers, supplied under wholesale schedules now on file with the State Corporation Commission.

\$19.702.97 6.756.37 7.937.85 7,167.67 \$97.50 \$99.98 \$1,269.21 \$2,747.28

The above table shows a reduction in revenue to the company of nearly \$1,400 per month, or about \$17,000 per annum in favor of over 9J per cent of the customers served.

The Corporation Commission has fixed Wednesday, October 14th, 1914, at the hour of 10 octock A. M. for the hearing upon said petition.
